

WCHN Security Questions

1. Open a browser and enter <https://access.wchn.org>
2. At the login page enter your WCHN credentials:

A message will be displayed that will tell you about the WCHN "Security Enhancements".

Security Enhancements

Please note: To further protect the security of your information on our website, we've made some changes to our account login.

Keep Your Information Safe

- ▶ A new way to protect your identity
- ▶ Adds a layer of protection to your account, as an additional level of security

How Does It Work?

Lets us know it's really you - If you sign in from a computer we do not recognize, we will make sure it is really you by asking a security question that only you can answer to verify your identity.

What are the next steps?

- ▶ Select and answer 3 security questions
- ▶ Register your computer
- ▶ Confirm your settings

3. Click  when you have finished reading.

Enrollment

- You will have to select and answer 3 security questions. “Remember your answers as you will be asked for them each time you log in from a different computer”.

Select and Answer your Security Questions

When you sign on from a computer we do not recognize, you will be asked to answer a security question in order to verify your identity. [How does it work?](#)

Select and answer 3 security questions * = Required Fields

Note: Your answers should be no more than 30 characters (no symbols)

Question 1 :

* What is the first name of the maid of honor at your wedding? ▾

Answer:

* Wilma

Question 2 :

* What was the nickname of your grandfather? ▾

Answer:

* Freddie

Question 3 :

* What was the last name of your favorite teacher in final year of high school? ▾

Answer:

* Rubble

- Once you have chosen and answered your 3 questions you will be asked to remember or not to remember the computer you are signing in from.
 - If you answer **YES** that computer will be remember so the next time you login you will just have to enter your network credentials.
 - If you answer **No** you will be asked to answer one of the questions.

Would You Like Us to Remember this Computer? [Learn More](#)

Yes, I plan on using this computer to access my account in the future

No, This is a public computer or one I do not plan on using often to access my account.

- Once you have answered Yes or No then click
